

## BRIEFLY

Sponsored by the Highland Park Arts Commission & the Highland Park Artists' Collective, Open Studios is an annual event that celebrates the talented artists who live and work in our community. It offers the public free self-guided tours of local artists' studios and galleries representing an exciting variety of art media. Past events have included photography, book art, printmaking, painting, pottery, fiber arts, sculpture, jewelry, video, and performance art.

Visitors will have a chance to meet the artists in person, see their work environments, ask questions about their techniques and processes, or even see a demonstration.

Tour maps will be available at the following locations:

- The Highland Park Library, 31 North 5<sup>th</sup> Ave.
- Main Street Highland Park, 421 Raritan Ave.
- IM Gallery, 235 Raritan Ave.
- Academy of Art of Highland Park, 727 Raritan Ave.

The Arts Commission will post outdoor signs to assist in finding studio locations.
